Investment Connection: Mississippi Delta Nonprofit Workshop

Thank you for participating in the **Investment Connection: Mississippi Delta Nonprofit Workshop** event.

We invite organizations working within the Mississippi Delta to submit proposals for the Investment Connection (IC) program. Project proposals may affect areas ranging from a single neighborhood to larger geographies within the Mississippi Delta.

ICP Process

- We start with the release of the request for proposal (RFP). Our Community Development and Community Reinvestment Act (CRA) examination staffs review all submitted proposals.
- We will select organizations with proposed projects that are CRA-eligible and that meet all requirements of the RFP to present to potential funders at the IC funder-match event this June.
- For detailed information on how to complete and submit a proposal, click [here](#) to access the RFP instructions.
- To access the estimated project budget template, click [here](#).
- The deadline to respond to the RFP and submit completed proposals is **5 p.m. CT on Friday, May 13, 2022.**

If you have any questions about the RFP process or technical issues, please email investmentconnection@stls.frb.org.
